

## Toileting (and Nappy) Procedures.

At Coed Cariad, the toileting facilities in the main hardstanding area opposite the Welcome Shelter. It is a composting toilet, with hand washing facilities.

For alternative sites/areas without toilet facilities or for sessions being conducted at the far end of the woodlands, the following procedures will be followed:

- Encourage everyone to use the toilet before leaving the Welcome Shelter area.
- We will identify a suitable location away from the work area in advance of the session.
- A screen can be used to provide privacy and a toileting bag placed at this location or a composting toilet dug.
- The group could be introduced to wild toileting - participants encouraged to use a trowel to bury faeces and tissue if necessary - and any queries or uncertainties to be dealt with. At all times the emphasis needs to be on discretion and encouraging participants to do as much as possible independently.
- Hand washing facilities should be available but if this is not possible wet wipes and cleaning gel can be used. All wet wipes should be placed in bags and disposed of off site.

Toileting kits contain:

- Toilet paper
- Wet wipes and cleaning gel
- Nappy bags
- Small trowel
- Tarps to make a modesty screen
- Spare pants and jogging bottoms for younger children
